Small Group Bible Study Questions

Opening prayer

Read John chapter 11

Pay particular attention to the questions posed in worship.

Why does Jesus wait? You will hear answers to this question in your reading.

Why does Jesus weep? What is he experiencing?

Is it helpful for you to humanize Jesus? Why or why not?

Do you believe that God suffers with us?

And ...

Why does Jesus thank God?

Is there more happening here than a foreshadowing of Jesus' death and resurrection?

How are the stories different?

And how are they the same?

Closing prayer.
